## CITROCASA®

# FANTASTIC M/AS

### Small Footprint Ease of Use

Pitcher in place, oranges on top, instant fresh juice. All on only 11" of counterspace.

**AUTOMATIC JUICING:** Simply feed fruit to start juicing. Open tap for increased labor efficiency. Ideal for staff-operated locations with limited space.

**SUPERIOR TASTE:** Patented SCS Up&Down dynamic knife delivers precise fruit cuts, reduces peel oil, and yields sweeter-tasting juice.

**MAXIMIZED HYGIENE:** 304 food-grade stainless steel ensures food safety. Dishwasher-safe Double Cover and juicing parts maximize hygiene.

**EFFICIENT OPERATION:** One single Cross Holder secures all juicing elements and speeds up disassembly and cleaning.

**UNMATCHED DURABILITY:** Robust materials and design. Complete triple-sealed separation of juicing and motor zone for durability and longer machine life.

**SMART TECHNOLOGY:** Multi-functional digital display with fruit counter, intelligent stop, and more.

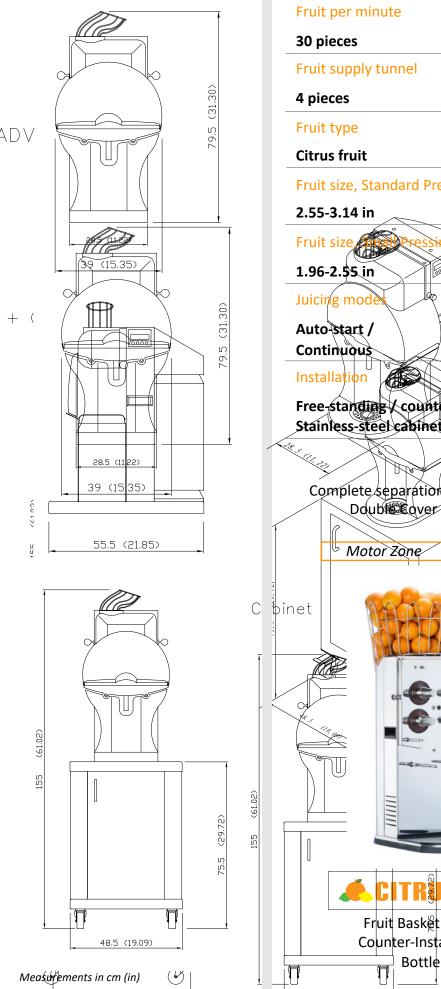

**LUCRATIVE RETURNS:** Eye-catching design attractively priced. Easily switch to optional Small Pressing Kit for juicing lemons and limes.
